Open to remote work and international opportunities

PROFESSIONAL SUMMARY

Analytical Full-Stack Developer and Data Professional with hands-on experience in large-scale data modulation and secure web application development. Proven ability to design user-centric digital platforms, maintain high data integrity, and deliver production-ready solutions. Passionate about leveraging technology to solve real-world problems in business, research, and development sectors. Seeking academic and professional opportunities to contribute to high-impact projects across Africa and globally.

KEY SKILLS

- **Programming & Frameworks:** JavaScript, Next.js, React, Node.js, Tailwind CSS
- **Databases & Security:** Supabase, Database Security, Row Level Security (RLS)
- **Data & Research:** Data Modulation (ISON), Qualitative Analysis, Information Integrity
- **UI/UX Design:** Wireframing, Prototyping, User-Centered Design
- **Tools & Platforms:** Git/GitHub, Vercel, API Integration

PROFESSIONAL EXPERIENCE

Data Modulator | ISON — March 2025 – Present

- Structure and modulate enterprise-scale datasets ensuring high accuracy and system compatibility.
- Maintain strict data integrity by identifying anomalies and resolving inconsistencies.
- Support workflow optimization initiatives to improve organization-wide data retrieval efficiency.

Web Developer | Freelance / Independent — 2020 – Present

- Designed and deployed multiple responsive web applications for diverse client needs.
- Translated complex requirements into secure, scalable digital solutions.
- Managed full project lifecycle from concept and wireframing to deployment on Vercel.

CORE PROJECTS

Lead Developer | Rwandamket Marketplace

- Architected a full-stack marketplace connecting service providers with clients.
- Implemented robust database security using Row Level Security.
- Optimized search and WhatsApp-integrated ordering workflow.

Personal Showcase | Portfolio Platform

- Developed a high-performance portfolio demonstrating software engineering and UI/UX capabilities.
- Ensured accessibility and responsiveness across devices using modern CSS frameworks.

EDUCATION

Technical Secondary School Diploma — Kigali Leading Technical Secondary School (2024)

Web Development Certificate — N@tcom (2023)
